

**Name:** Dr. Vijay Kumar

**Designation:** Assistant Professor

**Email:** [vijay.kumar@lic.du.ac.in](mailto:vijay.kumar@lic.du.ac.in)

**Educational Qualification:** M.Sc. Chemistry, Chaudhary Charan Singh University Campus Meerut, Uttar Pradesh, M. Tech. Chemistry, Indian Institute of Technology Delhi and Ph.D. in Chemistry, University of Delhi

**Research interest:**

Dr Kumar's research interests lie in the areas of Supramolecular, Coordination chemistry, and Bioinorganic chemistry, with a focus on Fluorescence probe in living cells by which to check the utility of probes as an imaging agent for the detection of analytes in biological systems. It applies the detection of different analytes for logic gate applications and molecular switches. Dr. Kumar is deeply passionate about teaching and mentoring students.
