TASK FORCE

Lady Irwin College considers the establishment of a task force highly advantageous, as it enhances the quality of the curriculum by promoting creative problem-solving skills. Also, it facilitates relationship building through communication and networking avenues. Each department within Lady Irwin College conducts evaluations of its activities pertaining to teaching, research, community engagement, job placements and internships.

CURRICULUM ENHANCEMENT

The taskforce committee played a pivotal role in formulating a framework for curriculum enhancement. Departments have been actively involved in revising the curriculum, with a focus on specialized areas. Also, the integration of software programs such as SPSS, AutoCAD, Rhinoceros, Dialux, and Google SketchUp has enriched the learning experience.

RESEARCH COLLABORATION

Collaborative research initiatives at Lady Irwin College offers students a multitude of advantages, enhancing their academic growth and enriching their overall educational experience in diverse facet.
