Subject: Development of E-Content on Education for Sustainable Development for Teachers & Teacher Educators-"Workshop on Development of draft contents on selected Themes on ESD including activities"

Dear All,

As you know that we have developed the draft modules on identified important themes in ESD to be integrated in the teacher education programmes in the light of NEP 2020 on the basis of the developed guidelines. As discussed earlier, the Department proposes to organize four days Workshop during 18-21 January 2022 from 10.00 AM to 5.00 PM through virtual mode to share /discuss the draft modules on the following identified Themes on ESD including activities.

1. **Understanding the term "sustainability"** (Growth and development, Notion of development as continued social, political and economic progress)
2. What is **sustainable development**? History and Concept of Sustainable development, Principle of sustainable development, Three pillars/dimensions of sustainable development
 - 2a. **Environmental Dimension**– sustainable management of water sanitation for all –health promotion
 - 2b. **Social Dimension**- human rights -Gender concerns –Inclusivity
 - 2c. **Cultural Dimension**– promotion of a culture of peace and non-violence – culture's contribution to sustainable development
 - 2d. **Economic Dimension** – ensuring resources availability – Poverty alleviation
3. **Education for Sustainable Development (SDGs)** (competencies and pedagogies given under ESD)

It is requested to kindly make it convenient to attend the workshop as a resource person during 18 & 19 January 2022. Honorarium will be given as per council norms. For any information the undersigned may be contacted (09871059587) . The link for the workshop is as under.: meet.google.com/vfe-pobp-xor

Head

Dear Dr. Meenal,

All of us are aware that 'Sustainable Development' has been receiving increasing attention of National and International Institutions and Communities. Education has potential to serve the cause of "Sustainable Development" as powerful tool to affect desired changes in the society. In this connection, the teachers and teachers' preparation institutions assume important role towards building enlightened knowledge society for advancing the vision and facilitate achieving sustainable development.

The importance and desirability of Education for Sustainable Development, ESD has been emphasized in the NPE 2020. Many developments have taken place related to the area since the implementation of NPE 1986 and the launch of NPE 2020. It may be appreciated that more focused efforts are needed for updating knowledge, understanding and impart of positive disposition of teachers and teacher educators to ensure positive contribution of education at school level for sustainable development in the country.

In view of above the Department of Teacher Education has initiated a project entitled "Development of E-Content on Education for Sustainable Development for Teachers & Teacher Educators" with main aim of developing e-content for Education for Sustainable Development (ESD) for teachers and teacher educators with appropriate content and impact. This E-content will enable the teachers to understand the basic concepts, developments and practices related to Education for Sustainable Development including important social, environmental, economic cultural and other extensions/components. It is proposed to integrate them into all spheres of teaching learning including curriculum related provisions, classroom practices and the institutional practices.

As discussed earlier, the Department proposes to organize two days Workshop during 18&20 November 2021 from 10.00 AM to 5.00 PM through virtual mode to identify important themes in ESD to be integrated in the teacher education programmes in the light of NEP 2020 and to develop the guidelines for writing the module(s) based on appropriate material.

It is requested to kindly make it convenient to attend the workshop as resource person as per schedule. Honorarium will be given as per council norms. For any information, Prof. Madhulika S Patel, Programme Coordinator may be contacted (09871059587) .
